

April 7, 2026

To whom it may concern:

Saavan Kiran has been offered seasonal, full-time employment with iD Tech as an On-Campus Lead Instructor at Benedictine University. The address at Benedictine University is 5700 College Rd, Lisle, IL 60532. Saavan's anticipated start date is May 26, 2026 and end date is expected to be August 7, 2026. Their pay is expected to be \$17.75 per hour. The scheduling of work weeks is variable so we cannot guarantee a particular number of work weeks. However when scheduled, Saavan would work a full-time schedule.

As an instructor, Saavan will be teaching a variety of STEM related topics such as BattleBots Camp: Robotics Engineering with VEX, Roblox Game Design Camp, and 3D Printing Camp with Blender. Some of Saavan's responsibilities will include:

- Assist with location set-up, tear down and product inventory/assessment
- Assist with check-in each session (may include leading icebreakers, directing parents, processing paperwork, etc.)
- Plan and participate in indoor and outdoor activities for students
- Additional duties as needed and assigned by the camp director
- Prepare lesson plans, and teach a class on a tech topic with an average of 8 students
- Ensure all students are meeting set learning goals for software or technology used within course
- Apply behavior management techniques to enforce rules and safety regulations
- Socialize with families during points of contact
- Escort students to and from dining halls – traveling up to 1 mile
- Supervise all students and maintain a safe environment
- Respond to and document critical incidents – have good hearing, eye sight, mobility, be able to operate emergency exits
- Perform CPR and FIRST AID (if certified)

Saavan will be reporting to Madeline Gaschler, Regional Manager. They may be reached by email at [mgaschler@idtech.com](mailto:mgaschler@idtech.com). Please contact me at [peopleservices@idtech.com](mailto:peopleservices@idtech.com) with any questions.
